

Dear Parent or Carer

I am sure you will be glad to know that we have had a very successful day. Graham, Jennie and the team organised a highly enjoyable competitive activity that the students threw themselves into with gusto. They complained loudly when it had to stop at 1.20, and that is always a good sign!

I have written separately to the parents and carers of the students joining us next week and we will leave shortly to start the weekend.

We will update you with news of how the government intends to deal with the cancellation of examinations and the knock-on consequences for students. We are expecting news of this in the next 24 hours and will share it as soon as we have it.

As always, please can I remind you that work for students has been put on the website and there is a teacher contact list if you have any questions or queries. We will continue to update the website on a regular basis and will email directly with any key information.

From every one of us here to all of you, thank you for your patience, understanding and good will.

Take care and stay safe.

Louise
