Dear Parent/Carer

I hope you are well.

As you will be aware FHS is still using the Covid 19 protocols that require wearing masks indoors, corridors but not necessarily in lessons.

The school is currently distributing large number of masks everyday and this is proving to be both costly, unhygienic and not environmentally friendly. (Masks are being left and dropped on school grounds.)

Please could you ensure that your child comes to school everyday with a mask. We are very happy to support in situations where a mask has been lost or broken. However, it is not sustainable to be issuing hundreds of masks every morning

We would greatly appreciate your support with this matter.

Yours sincerely,

John Whitehead
