Dear Candidate

Thank you for taking the time to read about the UTC and the Teacher of Computer Science role. I'm delighted to tell you more about our wonderful school and the many reasons why you should consider coming to work with us.

At SGS Berkeley Green UTC technical knowledge and skills are highly prized. Our students join us in year 10 or 12 to follow one of two specialist pathways: Engineering or Digital Technologies (including Cyber Security). They are highly motivated and determined to do well in their chosen sector.

The UTC was built in 2017 to meet the needs of local employers, and they helped design the building and facilities. As a result, our students have unrivalled access to high-quality resources, equipment and support, and enjoy being on a state-of-the art campus. Staff are experts in their subject areas and benefit from excellent CPD. We have an industry-standard Security Operations Centre as well as a large number of computing classrooms.

Even the briefest visit to the UTC will demonstrate what makes us unique: a culture of professionalism. The young people we work with are polite, respectful and inclusive. They dress smartly and behave appropriately. We are small enough that we get to know every student and we are all on first-name terms.

Our courses are both academic and technical; each pathway is valued equally. Students progress to courses at Russell Group and other universities, to apprenticeships, further education or employment. In addition to outstanding support from local employers, we are also sponsored by the University of Gloucestershire. Our students have access to a wide range of regular talks, events, work experience and trips to help broaden their progression opportunities. As a result, we are in the top ten schools nationally for students gaining apprenticeships.

It short, it is a privilege to work in a setting where you can really immerse yourself in the subject you teach with students who will share your enthusiasm, and with fantastic resources at your disposal. We are quite unlike any other school in the area.

If this all sounds too good to be true, come and see for yourself.

With very best wishes

Louise Davies
