

7 March 2022

Dear Candidate

Thank you for taking the time to read about the UTC and the role of Exam Invigilator. I'm delighted to tell you more about our wonderful school and the many reasons why you should consider coming to work with us.

At SGS Berkeley Green UTC technical knowledge and skills are highly prized. Our students join us in year 10 or 12 to follow one of two specialist pathways: Engineering or Digital Technologies (including Cyber Security). They are highly motivated and determined to do well in their chosen sector.

The UTC was built in 2017 to meet the needs of local employers, and they helped design the building and facilities. As a result, our students have unrivalled access to high-quality resources, equipment and support, and enjoy being on a state-of-the art campus.

Even the briefest visit to the UTC will demonstrate what makes us unique: a culture of professionalism. The young people we work with are polite, respectful and inclusive. They dress smartly and behave appropriately. We are small enough that we get to know every student and we are all on first-name terms.

In short, it is a privilege to work in a setting where we are ambitious, standards are high and where every member of staff makes a difference to the life chances of young people.

If you would like an informal conversation about the role with our Exams and Data Manager, please email Julie.Morris@berkeleygreenutc.org.uk

We sincerely hope you will consider joining us here at the UTC and look forward to receiving your application.

With very best wishes

Louise Davies
Headteacher
