Dear Parents/carers,

Hope you are well and safe.

On Wednesday 30th The Forest High School will be holding an Open Evening. This event will be different from previous years because of the current Covid19 protocols that the school is operating under. We will be operating an appointments system from 4.00pm to 8.00pm. You will understand that there is a need for the staff to focus on getting the school ready and safe for visitors & therefore we will be finishing school at 12.50pm on that day. Students who normally have free school meals will be able to collect their lunch at break time on that day.

It is possible that your child/children may be asked to help out with the evening. You will receive a letter from your children's teachers requesting their presence if this is the case. I can assure you that all students will be offered the use of PPE, will be socially distanced & will never be in a room with more than five other people.

Please feel free to contact me at john.whitehead@foresthgh.org.uk if you have any questions.

Yours faithfully,

John Whitehead
Headteacher
