1<sup>st</sup> February 2021

Dear Parents and Carers,

I hope you and your families are keeping safe and well.

I wrote to you last week about live lessons. I am happy to report that things have greatly improved; thank you for your support. Live lessons are a fantastic way for teachers and students to interact and maintain some sort of normality in recreating the school classroom. We are really grateful to our teaching staff who are working really hard to offer their students a varied learning experience. C

Can I please ask all parents and carers to speak to their children, to make sure that they know that live lessons, in whole or in part should never be shared: on social media, private message or in any other capacity. There is a great deal of trust between teacher and student when engaging in live lessons and we would never want that trust to be broken.

As always - many thanks for your support in this matter.

Kind regards,

Marie Cooper  
Deputy Headteacher
