### **Headteacher's Update**

This week our students in years 11 and 13 have been continuing to prepare for their upcoming exams. Our year 11 and 13 digital students have been completing their practical exams and the year 13 engineering students have their practical exam starting next week. The atmosphere around the UTC and the attitude of students going through exams remains one of focussed determination, and the UTC staff are continuing to support students to help them be as ready as they can be for their exams.

Students in year 11 have an opportunity to purchase a hoody to celebrate the end of year 11. These can be purchased by parents and carers on our ParentPay system.

We currently have a number of job opportunities available at the UTC. If you or someone you know are interested in joining the UTC then please have a look through the jobs we have advertised on our [vacancies](#) page.

I hope you all have a relaxing bank holiday weekend and we look forward to seeing students return on Tuesday.

Gareth

## Student Celebrations

Our tutor group champions this week are:

10 Lockheed Martin: <b>Hollie Rendall</b>	11 Intel: <b>Andras Bartholomew</b>

12 Mira: <b>Ace Carver</b>	13 CSA: <b>Matthew Lemm</b>
12 Rolls Royce: <b>Marcus Parris</b>	13 Versarien: <b>Toby Hodges</b>

## NCSC Parent Advice

We have a close working relationship with the National Cyber Security Centre, and they help us to shape our cyber security curriculum. They have recently updated their advice for parents and careers for all things cyber security related and have asked us to share this with you. Follow [this](#) link for more information.

## Rights Respecting Schools Update

This week tutor groups have looked at Article 24- Every child has the right to the best possible health. Governments must provide good quality healthcare, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this. To help ensure all the young people at the UTC have access to this Right, this May the UTC is taking part in 'Walk This May' to encourage young people to be active. May is National walking month so what better way to promote the Right and get us all moving!

Graham has set up a Strava Club for students and staff to record their walks in May. Please join the club: BGUTC - Walk This May. Can you do 10,000 steps a day!?

## Upcoming Dates
