

Friday 21st July 2023

Dear SGS Forest families,

We hope this letter finds you safe and well.

Year 10 Work Experience

A huge well done to Year 10s for completing their work experience this week. We have had some great reports about their enthusiasm, professionalism and maturity from the employers. We cannot wait to see Year 10 back in school with us as Year 11 in September, and to hear all about their placements.

Good News

We are delighted to let you know that SGS Forest's very own Mr Richard Stroud has been selected as a judge for the BBC's 500 Words writing competition for children. This is a lovely example of Mr Stroud's commitment to supporting young people's success.

End-of-Year Reports

Students in Years 7, 8 and 9 have been given their reports to bring home this week. Reports have been posted home for Year 10 and any other students not in school this week.

Start-of-Term Arrangements

Monday 4th September is Family Day. Families have been sent a link for booking appointments.

Tuesday 5th September is a full school day, beginning at 0830.

All students must be in full school uniform, except for the new school jumpers which will be given out during the first week.

Thank You

Every school year is important for students, families and staff, but this year has been especially important for SGS Forest. We have become a school that gives students a really broad curriculum and lots of other opportunities, with teachers and support staff whose combination of commitment and talent is rare. A school where every child matters, and becomes the best they can be. Thank you to families for helping make this happen.

We wish everyone in our SGS Forest community a safe and happy summer.

Yours,

Alan Dane
