

Friday 29th September 2023

Dear SGS Forest families,

We hope this letter finds you safe and well.

Three important documents accompany this week's letter:

1. **The official report from Ofsted's recent monitoring visit to the school**

As the report states, monitoring visits are about recognising the progress that the school has made since it was placed in Special Measures by Ofsted in May 2022.

We are really pleased about just how much progress is reflected in this report and the valuable recommendations for things we need to do better.

As families, this should give you great confidence that SGS Forest is well on its way to being a school where **every child** learns and **every child** grows, because **every child** matters.

2. **A letter from the Heads of House about hate speech and derogatory language**

We are determined to eradicate hate speech and derogatory language from our school, because **every child** deserves to feel safe and be treated equally.

3. **Details of this term's extra-curricular activities**

We encourage **every child** to take advantage of this growing number of opportunities.

Thank you for your continued support.

Alan Dane Nicola Mooney
Headteacher Head of School
