SGS Berkeley Green UTC opened in September 2017 with outstanding facilities, in a state-of-the-art building. We provide specialist, high quality technical and academic education for 14-19 students with a strong interest in Engineering and Digital Technologies including Cyber Security. We are committed to developing our students into the STEM experts of tomorrow by working closely with our employer partners to deliver our exciting and industry relevant curriculum.

We are looking to appoint a dedicated and passionate Science Teacher to join our Team. The successful candidate will have the ability to teach all Sciences at GCSE and may contribute to A Level or Level 3 BTEC teaching. The profile of the successful candidate will in part determine the courses they teach, and the structure of their timetable. A Biology Teacher would be a perfect fit for our current team, but we are open to applications from colleagues with other specialisms.

We require a colleague who has:

- A genuine interest in all the sciences and the ability to link learning to the real world;
- A proven level of excellence in the classroom at KS4 (and preferably also at KS5) or an NQT with significant potential;
- Excellent interpersonal skills;
- A willingness to contribute to all aspects of UTC life.

In return we offer:

- Teaching at KS4 and KS5 with students who are determined to succeed in their chosen field;
- Outstanding facilities in a purpose-built, £15million environment;
- The opportunity to work in a small, motivated and dynamic team;
- Excellent career progression.

**Do you want to have a positive influence on the direction of technical education?**

**Can you support our students to become the wealth creators and idea generators of the future?**

**If so, this is your opportunity to make your mark. Come and join us on our journey!**

Closing Date: **11<sup>th</sup> May 2020**
