13:00	Lunch									
Afternoon	Private study Show My Homework, lesson tasks, coursework, MS Teams assignments									

Year 10

You will be set tasks each week by your teachers. These will all be on Show My Homework. During the timetabled sessions above your teacher will be online if they are able to and will either deliver a live or pre-recorded lesson to introduce new knowledge, or they will be available to talk to about your Show My Homework assignment. You can contact them through Teams or Email. If you are unable to 'attend' the timetabled sessions then you can still find all work required to complete on Show My Homework and you can complete this when you are able to, however your teacher may not be available to answer questions straight away.

Year 12

Your teachers will attempt to be online for each of the sessions timetabled and you will either have a live or pre-recorded lesson to introduce new knowledge, or they will be available to talk about your tasks, assignments or coursework. If you miss any of the sessions then please speak to your teacher via Teams or email about what work was missed and complete this before the due date.
