

Dear Parents & Carers

We are very proud of the vast majority of our FHS students in terms of the standard their uniform (including PE kits) and their positive engagement in the daily life of the school community. Unfortunately, there is a small minority whose uniform is not up to the standard expected (for those parents & carers who are unsure as to what is expected at FHS, here is the link to our school website and the page on uniform <https://academytrust.sgscol.ac.uk/the-forest-high-school/parents/uniform> - please take a few moments to read through).

In terms of positive engagement, we have wonderful students who are keen to do well, build positive friendships and contribute to the school community. Unfortunately, there are a few students who do not value their education or that of others or indeed the school environment – so we will continue to contact you as parents/carers to inform you if your child does not meet our expectations. We are currently reviewing our behaviour and House systems (with student input) to ensure that we reward when deserved, sanction where necessary. Your child's tutor is your first point of contact if you have any concerns or pastoral issues that you wish to raise with the school.

We are also asking for donations of FHS uniform (e.g. blazers/ties/ PE kit etc), that is in a clean and useable condition, as some families are struggling to provide the full FHS uniform and we would really like to be able to support them as much as possible.

Many thanks for your continued support and patience as we move forward through the challenges that Covid is presenting us with.

Kind regards

Rachel Edwards  
Assistant Head
