

Vision: To inspire students to become **confident, ethical and compelling** individuals with the aspiration and qualities to shape a **better future for all**.

Values: Respect, Responsibility, Curiosity and Resilience

July 2021

Dear parents and carers,

Changes to our planned year 6 induction days on July 7th, 8th, 9th July

Following an increase in Covid-19 cases and advice given to schools not to hold year 6 induction days, we regrettably have no choice but to cancel our transition days. This includes our additional SEND induction days due to start on Monday 5th July.

We will move our transition support materials online. This includes the parents' evening which we had planned for Wednesday 7th July. This will now take place on Zoom at the same time of 5pm, which includes an introduction to the year 7 tutors, a welcome message from the headteacher and an opportunity to ask questions. We hope that this event will ensure that your child is as ready as possible for September, leaving them reassured, ready and prepared for this big next step. The link for the meeting will be sent via text message on Monday 5th July. Zoom can be accessed on any device. If you have not received the link by Tuesday then please give us a call.

On our website you will find a link to all of our lessons and activities that would have been delivered during the transition days. Please remember that all the details regarding uniform, including the ordering details, can also be found on our website.

We still plan on running all of our transition summer school days.

We understand that your child may be disappointed by the news, but we hope that you understand our position and we look forward to meeting you all in person during our summer school.

Kind regards,

Marie Cooper
Deputy Headteacher

John Whitehead | Headteacher
